

REV. P. F. HAMBORSZKY

Our thanks to the Reverend Paul Hamborszky who gave 19 years of his early ministry to the establishment of Hungarian Protestantism in New Brunswick; 12 years to the Bayard Street Presbyterian Church and 7 years to the Magyar Reformed.

"We are foreigners today, but our children are natives of America and with heart and soul Americans, so if you come to help us, you hold the second church in the hands of Presbyterianism and many of you will undoubtedly hear English sermons preached to the coming generations of our Hungarians."

Signed by Paul Hamborszky
